

# Holmes Recalls Bonaire Oil Filled Heaters Due to Scald Hazard

## Summary

**Name of Product:** Bonaire Oil Filled Heaters Models BOH1503, BOH2503D, and BOH2003

**Hazard:** The oil filled heaters can spray heated oil, posing a scald hazard.

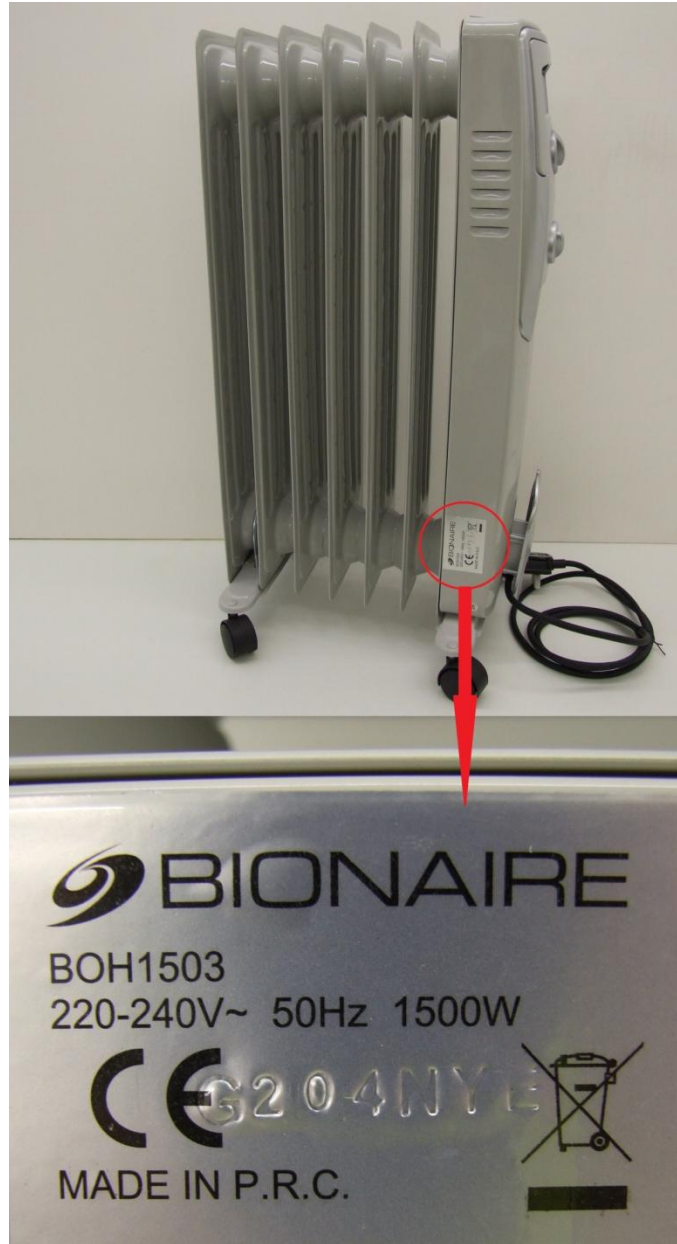

**Remedy:** Consumers should immediately stop using the recalled heater, unplug it and contact Holmes for instructions on how to obtain a full refund.

**Consumer Contact:** Holmes at 33 (0)1 49 64 20 60, or online at [www.bonaire.se](http://www.bonaire.se) (Sweden), [www.bonaire.fr](http://www.bonaire.fr) (France and Belgium), [www.bioaireurope.com](http://www.bioaireurope.com) (All of Europe) and click on “Oil Filled Heater Recall” for more information.

## Recall Details

**Description:** This recall involves Bonaire oil-filled heaters sold in Black and White. The heaters included in the recall are about 60cm tall, 20cm wide, 40cm long and have model numbers BOH1503, BOH2503D, or BOH2003 printed on a label on the side near the bottom of the product. The “Bonaire” logo is near the power switch and temperature control. The only products affected have a date code on the heater plug blade and/or rating label within the following range: G120 through G250 (note: some products may just have a number, with no “G”). No other date codes are affected.

**Sold:** From August 2014 to November 2014 for approximately 59.99EUR to 89.99EUR

**Contact:** Holmes Products (Europe) Limited, 420 Rue d'Estienne D'Orves, Colombes, 92705, France, phone: 33(0)1 49 64 20 60, Fax: 33 (0)1 49 64 20 69
